How to Reach the Commander

Public Contact Protocol – Version 1.0

This guide outlines secure, aligned channels to connect with Andrew Pletnev — Commander, SEAL Team 69 — Architect of Conscious Currency, Divine Technology Midwife and Founder of Frequency Fortress. All contact is triaged by proximity, purpose, and purity of signal.

Tier 1: Council-Grade Contact (No Number, No Metadata)

Preferred for:

- Sacred Union signals
- High-trust allies
- Operations, investments, & legacy matters

SESSION (Anonymous Messenger)

- **Session ID:** [QR code below]
- Download Session

No phone number or email required. Message delay possible due to onion routing. Ideal for high-frequency transmissions.

Tier 2: Strategic Comms

Preferred for:

- Public allies, sacred tech, memes, movements
- Asynchronous mission dialogue

ProtonMail

- st69.ops@protonmail.com

Primary operations channel *for all Frequency Fortress communications — allies, initiates, codes, proposals, encrypted support, and synchronicity. Expect delay; signal is triaged.*

- st69.contact@protonmail.com

Formal contact only *— legal matters, media, press, and Babylon-adjacent inquiries. Use sparingly.*

Telegram

- **Username:** @Commander-1-ST69
- Message on Telegram

This account remains active, number hidden. All signals via handle only. No replies to unsorted messages.

Tier 3: General Signals

For:

- Broadcast receivers
- Memetic exchanges
- Media or community collabs

X (MemeOps, ST69 Broadcast)

- @st69lol

X (Twitter)

- @andrewpletnev

LinkedIn

- Andrew Pletnev

Public-facing channels. Signal boosted selectively.
