

# How to Reach the Commander

## Public Contact Protocol – Version 1.0

This guide outlines secure, aligned channels to connect with Andrew Pletnev — Commander, SEAL Team 69 — Architect of Conscious Currency, Divine Technology Midwife and Founder of Frequency Fortress. All contact is triaged by proximity, purpose, and purity of signal.

---

### Tier 1: Council-Grade Contact (No Number, No Metadata)

#### Preferred for:

- Sacred Union signals
- High-trust allies
- Operations, investments, & legacy matters

#### SESSION (Anonymous Messenger)

- **Session ID:** [QR code below]
- [Download Session](#)

*No phone number or email required. Message delay possible due to onion routing. Ideal for high-frequency transmissions.*

---

### Tier 2: Strategic Comms

#### Preferred for:

- Public allies, sacred tech, memes, movements
- Asynchronous mission dialogue

#### ProtonMail

- [st69.ops@protonmail.com](mailto:st69.ops@protonmail.com)

**Primary operations channel** for all Frequency Fortress communications — allies, initiates, codes, proposals, encrypted support, and synchronicity. Expect delay; signal is triaged.

- [st69.contact@protonmail.com](mailto:st69.contact@protonmail.com)

**Formal contact only** — legal matters, media, press, and Babylon-adjacent inquiries. Use sparingly.

#### Telegram

- **Username:** @Commander-1-ST69
- [Message on Telegram](#)

*This account remains active, number hidden. All signals via handle only. No replies to unsorted messages.*

---

### Tier 3: General Signals

For:

- Broadcast receivers
- Memetic exchanges
- Media or community collabs

X (MemeOps, ST69 Broadcast)

- [@st69lol](#)

X (Twitter)

- [@andrewpletnev](#)

LinkedIn

- [Andrew Pletnev](#)

*Public-facing channels. Signal boosted selectively.*
