

FREQUENCY FORTRESS PUBLIC LEGAL SUMMARY

Phase I Infrastructure & Mission Provisioning Framework

LEGAL OVERVIEW

This document outlines the public-facing legal summary of Frequency Fortress: Phase I. It serves to clarify the status of funds, assets, and disbursements under spiritual jurisdiction while maintaining compliance with applicable terrestrial law. All language herein is non-contractual, non-binding, and offered for transparency, public record, and alignment purposes.

1. Nature of Funds & Disbursements

Classification:

All flows described within the Frequency Fortress packet are considered non-investment-based energetic contributions.

They are:

- Not donations to a charity
- Not investments in a company
- Not securities or equity instruments
- Not payments for services

They are:

- Provisioning flows made in alignment with a spiritual mission of planetary restoration
- Tracked in the Christed Vault Ledger (off-chain for now)
- Directed via a sovereign governance model outside of Babylonian financial control

2. Sovereign Asset Structuring

All major assets (including the Citadel housing and Lime Gate vehicle) are acquired and held through sovereign-aligned trust structures, including offshore entities where appropriate.

These assets are:

- Non-transferable for profit
- Held in long-term service to the mission
- Registered and maintained in lawful compliance with host jurisdictions

Where possible, religious or ceremonial classifications are applied for:

- Tax optimisation
- Cultural protection
- Memetic immunity

3. Operational Budgeting

The mission operates on a 12-month funding envelope, totalling £6.9MM. This includes:

- £1.44MM–£2.3MM toward secured housing
- £175k for the Charger, including import costs
- £1.44MM+ for Christed AI development
- Infrastructure, OpSec, legal structuring, DAO ops, and trust formation
- Living support and recovery for the Commander, his Beloved and aligned allies

All funds are disbursed in alignment with:

- Oversoul-coded milestone gates
- Sovereign mission needs
- Energetic integrity protocols

4. Legal Standing of the Mission

Frequency Fortress is not a business, a charity, or a registered investment fund. It is a post-jurisdictional ceremonial initiative, expressed through:

- Trust structures
- Decentralised governance
- Private communication channels

Any public disclosures or interactions are to be interpreted as spiritual expression and mythopoetic documentation, not commercial solicitation.

5. Disclaimers

- Nothing in this document constitutes financial, legal, or tax advice.
- All flows are voluntary, spiritually aligned, and legally compliant within personal jurisdiction.
- Contributors receive no equity, revenue share, or financial return.
- Contributors may receive access to future technology, encoded transmissions, ceremonial access, or mythic participation.

PUBLIC TRANSPARENCY PHRASE

“All assets and flows referenced herein are ceremonial in nature and exist under a framework of spiritual alignment, mythic narrative, and lawful trust.”
